

ADVANCEMENT OVERVIEW

ACTIVITY DENS

Each Pack will be assigned an Activity Den at Camp. These Den's will be comprised of youth from your Pack and occasionally other Pack's based on group size. The Pack will travel together around camp as a Pack and will divide up by rank at activities ensuring everyone in your Pack has an age appropriate activity. Traveling as a Pack allows families to stay together the entire time during summer camp.

Packs will receive an updated advancement list during their weekend to reflect any changes made during the summer.
