ARE YOU READY FOR THE WILD?

Northern Star Outdoor Learning Center

Forget the desks and the screens. We're heading to the Outdoor Learning Center for a two-day, one-night mission in the woods. This isn't your average field trip, it's a chance to see if you have what it takes to master the wild.

What's Waiting for You:

Fire & Shelter: Can you start a fire without a lighter? Can you build a house out of sticks? You're about to find out.

The Range: Test your aim and focus with Archery.

The Climb: Push your limits and conquer the climbing wall.

The Maze: Use a real map and compass to find your way through the forest.

Overnight: Camp out with your friends just 30 minutes from home.
