NORTHERN STAR SCOUTING

OUTDOOR LEARNING CENTER

*Inspiring the leaders of tomorrow
through outdoor learning.*

ADVENTURE AWAITS

For over 15 years, Northern Star Scouting has hosted exceptional field trips at Base Camp, now expanding to our Outdoor Learning Center. Just 30 minutes from the Twin Cities, our OLC offers students in grades 3 and up an immersive two-day camping experience to "learn and live differently." Expert educators help students build confidence through archery, climbing, orienteering, and collaborative challenges. Give your students a transformative space to discover the world beyond the classroom.

Educational Excellence

We provide hands-on learning experiences designed to build confidence, resilience, and real-world skills in every season.

Outdoor Preparedness

Students gain practical skills such as basic navigation, environmental awareness, and outdoor safety—taught in a supportive, guided format.

Collaborative Leadership

Team tasks help students build communication, cooperation, and leadership through structured group activities.

Environmental Stewardship

Immersive experiences in the natural world foster curiosity about ecosystems and encourage responsible care for the environment.

Personal Growth

Students develop character, and confidence as they take on new experiences, practice perseverance, and celebrate personal achievements.

ACCOMMODATIONS

Our climate-controlled dorm style building feature modern restrooms and rooms that sleep up to four.

FOOD SERVICE

All meals are provided buffet-style. Our fresh, kid-friendly menus consider all dietary restrictions.

PRICING

\$25 per youth
First 2 adults FREE
(\$25 per additional adult)
